Miss Fannie Wilson

Tyler Texas.

Devoted one of all to me
will say you was a long time
writing that I never give you
out at all nor never will
as long as you have been the
same to me, for you to change
would be treating me unjust.

I have tried to be the same to
you as when we first met.

I will answer your question by
saying I love you as you love
me but I believe my love
to be stronger, at least I think
so myself. I was sorry you
